

Target Archery Indoor Rounds

The following table gives details of the indoor rounds which are recognised for handicap purposes. For the full rules consult the AGB Rules of shooting. All indoor rounds except the Worcester are shot in ends of three arrows.

Round	Dozen	Distance	Face	Scoring
WA18	5	18 m	40 cm full or triple spot	10 zone
Vegas	5	18 m	40 cm special	10 zone
	The Vegas face is a numbered 40cm triple triangular face. Four targets per boss; two above & two below. Archers shoot 10 ends of 3 numbered arrows at a high target then 10 ends at a low target or vice versa. Arrows must be shot in number sequence.			
Portsmouth	5	20 y	60 cm full size	10 zone
Worcester	5	20 y	16 inch special	5-4-3-2-1
	The Worcester face has four black zones and one, central, white zone. Four targets per boss; two above & two below. Archers shoot 6 ends of 5 arrows at a high target then 6 ends at a low target or vice versa. 1 end of sighters. Archers do not shoot in rotation.
