

RLSAS Outdoor Handicaps as at **02 April 2022**

(Handicaps run 1st Jan to Dec 31st)

Notes:

Archer – an archer who has yet to be classified

U/C – an archer who failed to shoot sufficient rounds for a classification in the previous year and now needs to re-qualify.

Only those members with handicaps have been listed. It is in all members interests to obtain a handicap as it allows you to compete for places in the handicap adjusted score teams in the County and Regional Postal League matches as well as the made score teams.

In order to obtain a handicap shoot and score three rounds which need to be witnessed and signed by another archer. Details of what rounds to shoot and how to obtain a Handicap can be found at
