## Target Archery Outdoor Metric Rounds

This table gives the target face size and the number of arrows in dozens to be shot at each distance for AGB and WA rounds.

Archers may shoot any of the rounds below. However, depenedent upon your gender and age, not all rounds may be used for your Handicap, Classification or Club Records. For more details on individual rounds consult the online AGB Rules of shooting Rule 308b (i) \& (ii), and the RLSAS online list of Club Records.
