Awarded

- Badges are awarded to confirm your **progress** at each distance. If you want to gain all badges you **must** start at the shortest and work your way up, in order, to the longest distance.
- To be awarded a badge you must shoot the minimum score, or more, for your bow style on **3 separate occasions**, another score shot on the same day **will not be counted**.
- You must submit the qualifying score for your bow style, on **3 occasions before moving to the next distance**, or the shorter distance will be voided as incomplete and no badge awarded.
